

Nominations Are Open for the 2018 Midwestern Council of Sports Car Clubs Awards

Each year, the members of MCSCC (that's you), choose the deserving individuals that will receive the most prestigious awards that the club can give out. We urge you to participate in this most auspicious occasion. The paragraphs that follow describe the qualities and qualifications a nominee should possess for a special award. A single person may be nominated in multiple categories; however a single "all purpose" written nomination may **NOT** be submitted for multiple categories.

Please write **distinct** nominations specific for each award. **Nominations should be kept to 100 words or less.**

- **Wheel to Wheel Rookie of the Year** – Nominees shall have passed his/her **FIRST** wheel to wheel drivers school during either the last drivers school of the previous year or one of the two drivers school this year (2018). Nominees should display the "MC" attitude, fun with competition, and his/her driving skills should have improved greatly during the year. The number of events attended should be taken into consideration.
- **Autocross Rookie of the Year** – Same as for the Wheel to Wheel Rookie of the Year
- **Wheel to Wheel Driver of the Year** – Nominees should display a true sportsman attitude and be respected by his/her fellow competitors. In most cases, the nominee should have placed well in his/her class that they competed in for this year. Competitors should **NOT** be nominated for sportsmanship alone and those competitors displaying outstanding sportsman qualities should be nominated for Sportsman of the Year.
- **Autocross Driver of the Year** – Same as the Wheel to Wheel Driver of the Year
- **Sportsman of the Year** – Should be a competitor that displays excellence in character, spirit, and competition. This person will go out of his/her way to help others and will ask for nothing in return.
- **Member of the Year** – Is awarded to a MCSCC member who has performed an outstanding service(s) for MCSCC during the current year. Normally this is not given to MC officers; they are volunteers for these offices and know what kind of dedication the position already requires.
- **Lou Shaupner Award: Worker of the Year** – Named for Lou Shaupner from Chicagoland SCC and given to a dedicated worker that is at the track more often than not. Enjoys his/her specialty and performs the duties to the best of their abilities.
